

MR. DAVID R. GIBSON  
SUPERINTENDENT

MS. ROBIN WIRTLEY  
TREASURER

It is hard to believe that we have reached the half way point of the 2011-2012 school year. Our students and staff have been extremely busy this semester.

I would like to share a few of the things that have been happening:

Our third grade students, for the first time, took the reading portion of the Ohio Achievement Assessment. Mr. Schneider, with help from staff and students directed two successful performances (Rudolph the Red Nosed Reindeer and A Christmas Carol). Also, our elementary had an awesome turnout for the Veteran's Day luncheon.

In the Middle/High School, National Honor Society students raised over \$700 to help a needy family for the holidays. In athletics, Patrick Marcum, a junior, was selected all-conference in football.

As a district, our teachers pre-k through 12, have participated in more than 90 hours of professional development which focused on curriculum development and effective teaching strategies.

As you can see, New Miami Schools are committed to developing the whole student through quality academic experiences, opportunities in the arts and athletics, and a focus on the value of community service.

As we look forward to the second half of the school year, I would continue to encourage all of you as parents and guardians to be a partner in your student's success. If you have questions about how to get involved, please contact our building principals. They are more than happy to assist you.

Have a safe and joyous holiday.

A handwritten signature in black ink, appearing to read 'David R. Gibson'.

David R. Gibson, Superintendent
